

MiTOWER BRIDGE

✓ Professional use

- Work platform between two MiTOWER's
- Strong, sturdy and lightweight
- Suitable for MiTOWER and MiTOWER PLUS

MiTOWER BRIDGE. Work platform between MiTOWER rolling towers

The MiTOWER BRIDGE is a handy addition to the MiTOWER and MiTOWER PLUS rolling tower. With just a few parts, you build a work bridge between two rolling towers in no time at all. Use the BRIDGE between two MiTOWER's, then you create a work surface of 4 meters. With the MiTOWER PLUS, even 6 meters.
